In Australia, the first generation models carried over the Hyundai Excel name used by the Accent's predecessor. The Accent was replaced in 2000 by the Hyundai Verna in South Korea, although most international markets, including the US, retained the "Accent ... Hyundai Accent - Wikipedia - The

Mid-Atlantic accent, or Transatlantic accent, is a consciously acquired accent of English, intended to blend together the "standard" speech of both American English and British Received Pronunciation. Spoken mostly in the early 20th century by Americans, it is not a vernacular American accent native to any location, but rather, according to voice and drama professor Dudley Knight, an ...
